

TUUCI® How To Connect Ocean Master Max To Flush Mount

Please verify that you have received all the parts shown below:

<p>Flush mounts (Qty: 3)</p> 	<p>Bushing sleeve with set screws (Qty: 3)</p> 	<p>Allen keys and extra set screws</p> 
--	--	--

Note:

- Install the flush mounts according to the installation instructions provided
- Determine the desired orientation of the umbrellas with respect to the flaps on the flush mount. Read the “How to Connect OM MAX Flush Mount” instructions for guidance on this step. **DO NOT drill holes into the umbrella pole yet, just use these instructions to determine the orientation of the umbrella.**

	<p>Orient the holes on the sleeve to match the flap on the flush mount</p> <p>This orientation should also match the orientation of the umbrella</p>	<p>Tighten the set screws to lock the sleeve onto the pole</p>	<p>Drill holes into the umbrella pole using the flush mount flap and hole on sleeve as guides</p> <p>Refer to: HOW TO CONNECT OCEAN MASTER MAX TO FLUSH MOUNT</p>	<p>Complete Assembly</p>
 <p>umbrella pole</p> <p>bushing sleeve</p>	<p>holes to secure sleeve to flush mount</p> 	 <p>umbrella pole</p> <p>bushing sleeve</p>
